COGDAL VINEYARDS

Little Man Club Notes.....

Welcome

This is it !! The first publication from our email list. Welcome to the Little Man Club. Yesterday was our 1 month anniversary of being open. WOW. It has been exciting and challenging, but very rewarding to hear your comments and feedback. The reaction to the wines has been very positive. We are serving a very diverse population and the distribution of wines purchased is almost evenly distributed: the Riesling and Dry Riesling are the most popular, but not by much.

Events

First Month Thank You (Sunday, Aug 24)

\$1 off wines by the glass; Portable tasting area set up in the vineyard for tastings; Vineyard available for strolling. Thanks for a great 1st month.

Releasing the Riesling (Friday, Aug 29—Monday, Sep 1)

We will be releasing our next batch of Riesling. This will be replacing the current Semi-Dry Riesling after Sep 1. During the Labor Day weekend you will be able to taste and buy both of the semi-dry Rieslings until the original is gone. For those of you who enjoy the Riesling this is a unique opportunity to taste different batches.

Little Man Club Activities

If you are interested in helping or learning more about the different aspects of the winery and the vineyard, periodically throughout the year, we will offer you the opportunity to observe or participate in various activities. Family and friends are welcome. Please let us know if you are coming.

Bottling (Aug 23 and Sep 6, 9am to Noon)

We use very manual methods to move the wine from its storage state into bottles. The wine maker will be there to help direct us and answer questions.

Vineyard Preparation (Aug 29 and Sep 1, 9am to Noon)

The vines require a very strong structure (trellis system) to make sure the grapes have the best chance for success. We will be securing end posts with anchors and adding wire with supporting posts to our newest vineyards.

Grand Opening Weekend

We are working on a few extra special events for the grand opening, but are not ready to release details. Stay tuned.

Private Events

We are available for private tastings and events. Let us know what you need.

Let Us Know Your Thoughts

Drop us a note or stop by and let us know how we are doing. Both the website and facebook are updated regularly.
